 The Soap I come to speak about  
 is the Great **Santa Claus**.  
 'Tis good for every purpose,  
 For which a soap is needed,  
 And joy will bring to

 Who has wise counsel

 And spent a nickel, just to  
 prove  
 What wonders it will do,

to lighten labor, save expense  
And make things bright and new.

A REPUBLICAN BARBECUE.

Grand Rally and Barbecue on Republican Day at the County Fair.

United States Senator John C. Spooner to be One of the Speakers.

The Rock County Republican committee held a meeting in this city this morning, and among other things decided upon was that of a grand rally and barbecue on republican day at the county fair. Sub-committees were appointed to arrange all details. An ex. will be purchased and roasted in the large oven on the fair ground for the purpose of feeding the hungry.

United States Senator John C. Spooner will be the orator of the day. Details will be arranged and announced in due time. It is expected that a meeting of the Milford Veterans will be held on that day. The committee decided to make this rally the "starter" for the campaign, and hope the republicans of the county will turn out en masse.

IN THE TOBACCO MARKET.

Prices Grow Stiffer—Few Sales Reported.

Comparatively few sales have been made since our last report although such as are reported are at somewhat increased figures. A number of large deals are pending, but are not yet in shape to be made public.

Farmers report that the new crop is coming on handsomely, although in some parts of the county more sunshine and less rain and wind is needed.

The New York Tobacco Journal says: New leaf is sold on packers' samples right along, while considerable quantities of old leaf are also moving. But the prices obtained for the new crops are kept in close secrecy; there seems to prevail a morbid dread of establishing by publication a market price of the new leaf before the sampling will show its actual condition. Sales of old and new leaf run in the aggregate to 2,600 cases, of which 2,000 cases belong to the new crop. The bulk of these sales were made at \$5 Wisconsin and \$7 Pennsylvania. The former at the former at \$5 to 10c, the latter at 11 to 12c.

OBITUARY.  
Died—at Abrams, Oconto county, Wis., Annie, wife of Frank W. Robinson, July 17, 1888.

Mrs. Robinson will be remembered by her many friends in Janesville, Oshkosh and vicinity, where her childhood days were passed, as Miss Annie Burton. The most of her married life, of twelve years, was spent in Winona, Minn., and there, at her request, she was taken and laid to rest in the beautiful cemetery. A large circle of loving friends mourn her death in that place, also in Abrams, she left many warm friends, who will miss her as a kind neighbor and loving friend. She was endeared to all by her kindly disposition, and those who knew her best loved her most. She has left to mourn her death besides her sorrowing husband, one sister and brother here, and three brothers in Dakota, besides a large circle of family friends and relatives.

Carl and Wend.  
Our firm name was not used as a title for one of the fables which appeared in the Gazette last week, but truth is often stranger than fiction; and it is true that we were able to hard work and a careful management to supply Barons with the fuel used in preparing the food for his army, and at the same time fill all other orders and keep our stock of wood and coal up in quantity and quality to its usual high standard.

P. T. Barnum expressed no regret for having placed his order in our hands; and we trust others will have no cause to do so. Come and see us.

—The club will meet at least six delegates to the Normal school at Whitewater next week.
